If you read this far, the first 3 people to email me the word "coffee" get a prize at our first meeting!  
Be fast!

## POST-NILA

This past weekend, a few officers from our chapter met with other chapters and our regional team at Google Headquarters in Mountain View, CA.

The officers that did not attend NILA were able to be updated on all of the regional news, and even make pitches for events. Maybe we will see Sacramento State get a regional event in the near future!

We were able to network amongst our chapters, and be the big happy SHPE familia that we are!
