Benefits

- Gain a Skill Set.
- Obtain Hard Skills for Resume/Future use.
- Snacks*.

Meetings

- Communication via Slack.
- Date/Time: Mon 5pm-6pm*.
- Room: TBD.

Earthquake Engineering Research Institute California State University, Sacramento Student Chapter

What is EERI?

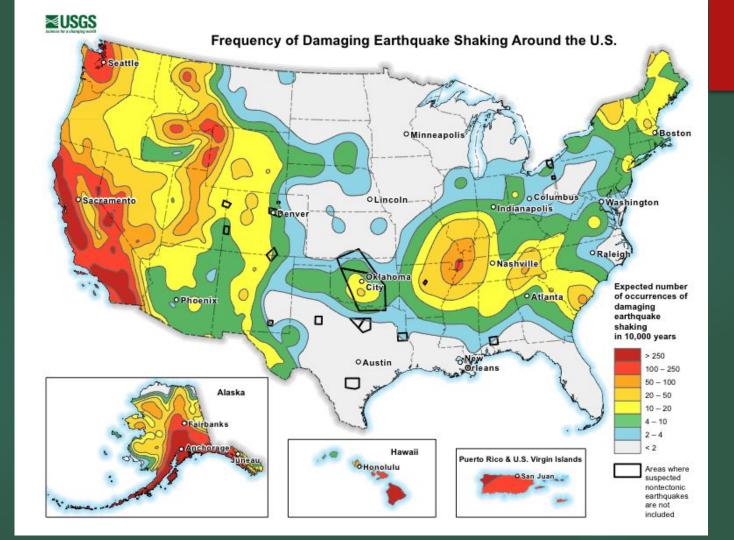

Earthquake Engineering Research Institute is a national, nonprofit, technical society of engineers, geologists, architects, planners, public officials, and social scientists. EERI members include researchers, practicing professionals, educators, government officials, and building code regulators.

Mission Statement

Objective: To reduce earthquake risk by

- Advancement of science and practice of earthquake engineering
- ➤ Improving understanding of the impact of earthquakes on the physical, social, economic, political, and cultural environment
- ➤ Advocating comprehensive and realistic measures for reducing the harmful effects of earthquakes.

Visit http://www.eeri.org for more information.

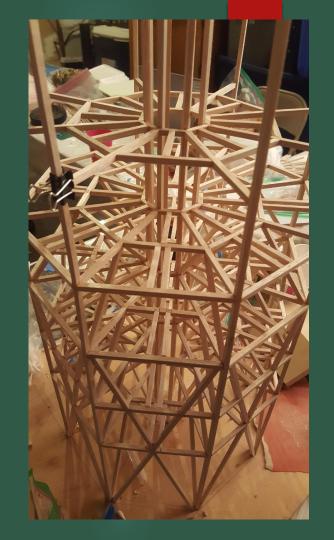

Why Join EERI?

Networking opportunities for future jobs, internships, and a graduate fellowship

Opportunity for hands on application of course material

Access to latest professional developments and research related to seismic topics

Opportunity for leadership positions in student organizations.

Friedman Family Visiting Professionals Program

A program endowed by the Friedman Family to foster better understanding and communication between and among earthquake practitioners and academics.

The program provides travel funding for expert professionals to visit your university and deliver a lecture that showcases their experiences in a professional career associated with earthquake engineering and earthquake risk reduction.

Speakers!

Time and Date To Be Determined

2019 Seismic Design Competition Vancouver, British Columbia, Canada, March 5-8, 2019.

Aspects of the Competition

- Proposal
- Design
- T-shirt Design
- Construction
- Calculations
- Poster
- Presentation

EERI Membership

Student Member:

Join Earthquake Engineering Research Institute on OrgSync

National Member:

Sign up for a national membership to attend the Seismic Design Competition

Fee: \$25
